MADDEN NEWS

Madden, May 11.-There was a glow of sadness cast over our community Miss Onie Bishop, of Piedmont, is when on Monday morning last the news went forth that H. Lee Madden Messrs. John and Steppe Smith, of had died in the early hours. He was a good citizen, a quiet and unassuming man, upright and honorable in his dealings with his fellow man. He was an extremely indulgent father-it must have been impressed upon him that all his love and care should be compressed into a few short years for he was a young man when death came. He had a host of loyal friends as was testified by the large number that attended his funeral exercises held at New Prospect at 10:30 Tuesday morning and the beautiful flowers that covered his last resting place. The sympathy of all goes out to his devoted wife and children.

Mr. Douglas Bryson was carried to the Julia Irby sanitarium Saturday morning last. The latest news from him is that he is better. His many friends hope to see him again soon, at home.

It seems that we have had more sickness through here than ever before. Several cases of chicken pox and mumps are prevalent among the children. The condition of Mr. Jno. A. Madden, who has been sick so long is now quite critical. Mr. and Mrs. Calcutt and Mr. Timmerman are now with him, also Mr. Higgins, a brother of Mrs. Madden.

The many friends and relatives of Dr. and Mrs. A. B. Langston are glad to have them and their bright little boy, Hiram Thomas, with them for a visit.

Several of the children from here went up to hear "the bear story" at the Methodist church Sunday after-

Mrs. John Wright, who has been quite sick at the home of her grandmother, Mrs. Allison is now able to sit up, her friends will be glad to hear.

Miss Minnie Crinch spent the weekend with her friend, Miss Genie B Aiken. Miss Aiken left Monday morning for her home in Fairfield county. Her school at Prospect closed the 8th.

Miss Carrie Langston had as her guest on Friday last Mrs. Watkins, Mrs. M. W. Gray visited relatives in Misses Bess and Lula Watkins and Ora Powers and Mrs. Mmary Allison. A very pleasant day was spent.

The graveyard at New Prospect is to be cleaned off some time soon. Due Mary, spent last week with Mr. and notice of the time will be given later. This is to tell the fellow that has loved ones buried here and knows that why just hand 50 cents or \$1.00 to Mr. J. A. P. Moore at Laurens and he will see that it is applied towards that very laudable purpose. The cemetery just now is in a very bad condition. See to it that you do your part (if you are interested in it) towards getting is cleaned up.

Mr. A. Clyde Martin of Grenville, was down to the funeral of his cousin, H. Lee Madden.

The latest news from Mr. Griff. Finley of Texas, is that his condition is no better. He is to be carried back to a sanitarium in Dallas.

Miss Edna Profitt has returned from a visit to friends at their former home in Cross Hill.

P. H. Martin is in Greenville for the past week.
